Summer 2026-Spring 2027 Recreational Handbook

DDP was founded in July 2022, to give hardworking, dedicated, creative individuals a space to grow in their technique, body movement, performance abilities, and overall skills. At DDP, we strive for more than just excellent dance abilities, we teach our students important life-long skills. We take value in providing leadership, discipline, respect, self-confidence, and strong work-ethics. All of our instructors are 100% committed to giving our students the best training offered in assurance for continued dance education!

Studio Values

At DDP we value determination, resilience, respect, and hardwork!

- Determination: The strong desire to want to grow and achieve new goals.
- Resilience: No matter how many times you may fail, you continue to try.
- Respect: Have respect for yourself, your studio, your teammates, and instructors.
- Hard Work: If you put the work in, you'll see results. It's all up to you!

Conduct Requirements

DDP strives to provide a safe and healthy environment for our dancers and their families. We ask that all students, parents, siblings, friends, instructors, and other DDP staff show respect for one another. Disrespect or bullying of any kind will not be tolerated. If any situations do arise we ask that we are notified in writing 24 hours after the incident. We only ask this so there is time to reflect on the situation to avoid any rash statements and/or accusations. After being notified DDP will investigate the incident and take action accordingly.

Communication

Our first, and main form of communication is via email. Please check all emails, as they contain important information regarding our studio and your dancer(s). It is also the responsibility of the parent/guardian to update DDP of any changes in contact information.

Please allow our staff at least a 48 hour grace period to respond to any emails.

You can also follow us on Instagram and Facebook. We post studio information on these social media sites that we feel are important and do not want anyone to miss.

Participation

Attendance

Attendance is very important. Dancers should be in class and ready to participate at least 5 minutes before the start of class. Dancers should only miss class for illness, pre-planned events, or emergencies.

Any absences, questions, or concerns can be communicated via email or in person. Please let us know at least 3 hours ahead of your dancers class time, if they will be absent.

Showcase

All recreational classes will have a required routine for our Winter and Spring Showcase.

Winter Showcase does not require a studio costume. Dancers/parents create their own red, green, white, gold, or silver themed costume. All routines wear the required tights and shoes listed in the Class Attire section.

Spring Showcase does require a studio bought costume. Dancers/parents will be charged \$60.00/class for costumes. Tumble classes will be charged \$30.00 for leotards. Depending on the class and teacher, dancers/parents may be in charge of supplying their own costume. Details for that costume will be given and made by the instructor. All routines wear the required tights and shoes listed in the Class Attire section

Dancers are expected to arrive at the venue 1 hour before the show starts. We ask that make-up and hair are done prior to arriving. Please do not allow your dancer(s) to eat or drink anything of color while in their costumes. Costumes should be steamed (if needed) prior to their performance. Lastly, all age appropriate dancers (beginner and up) are required to stay for the entire showcase to show support for their fellow dancers and walk on for the finale.
